

JAS SERVICES - WARRANTY POLICY

JAS Services, the repair station at TEAM JAS, Inc., represents and warrants that its overhaul and repair services shall be free from defect in workmanship, under normal operating conditions for a period of 6 months or 600 hours, whichever comes first, commencing from the shipping date of the appliance to the customer. JAS Services does not warrant its workmanship against damage or loss caused by negligence, misuse, modification or misapplication of any part or component. Liability on the part of JAS Services as a result of breach of warranty is limited to the repair or replacement of the defective part(s) and the customer expressly waives any right it might have to special or consequential damages. The responsibility of JAS Services under this warranty is further limited by the following conditions.

- a.) The component(s) in question has been maintained and operated in accordance with the original manufacturers manuals or other approved written instructions and that the components have not been repaired or altered outside of the JAS Services facility in any way which may impair its safety, operation, or efficiency and have not been subjected to misuse, neglect, accident or damage by the elements.
- b.) That the component part(s) are returned to JAS Services facility, freight prepaid, after notice of failure has been given to JAS Services and the opportunity has been afforded to perform corrective work at it facility in Jacksonville, FL. (unless such work is authorized in writing to be accomplished in an alternative facility).
- c.) JAS Services does not warranty parts or materials but will assist its customers in processing of claims or adjustments arising out of defects in parts or materials which are covered by the manufacturers' warranties.
- d.) The warranty shall be void if seals or lockwire are missing or broken.

There are no other representations or warranties of JAS Services whether expressed or implied, nor are there any implied warranties of merchantability or fitness for any particular purpose.
