----- End of Listing -----					

- Note:
- 1) Provide minor design changes in a manner as determined by the ACO. Handle major design changes to drawings and specifications in the same manner as that for an original FAA-PMA.
 - 2) The FAA approved ICA for the above parts with their designs. These ICA may refer to those of the respective parts from the holders of Type Certificates. Otherwise, provide supplemental ICA for differences in the replacement parts. Make referral statements or Supplemental ICA readily available per 14 CFR 21.50.
